

For FILSPARI® (sparsentan) prescribers

TRAVERE
TotalCare®

Get your patients started on FILSPARI® (sparsentan)

Once the prescriber has decided FILSPARI is right for a patient and has completed the **one-time Prescriber REMS Certification**, follow the steps below to help minimize any avoidable delays in treatment for your patient.

1

Complete **TWO** forms:

FILSPARI Patient Start Form

REMS Patient Enrollment Form

2

Complete the **prior authorization (PA)** upon notification

Most insurance plans cover FILSPARI, but may require a PA

3

Ensure patient completes labs required for **FILSPARI REMS**

**REMS-certified Specialty Pharmacy (SP) coordinates shipment of
FILSPARI directly with your patient**

Get personalized support from your Traverre Access & Reimbursement Manager (ARM) who will:

- Guide you through the FILSPARI access process and PA requirements
- Offer patient-specific support when reimbursement questions arise

Best practices to start your patients on FILSPARI® (sparsentan)

1

Complete two forms:

✓ FILSPARI Patient Start Form

✓ REMS Patient Enrollment Form

✓ **Have your patients sign both forms** while in the office and tell them to expect a Welcome Call from a Traverre TotalCare® Nurse Educator

Your patient and the prescriber will need to sign both forms

2

Complete the prior authorization (PA) upon receipt of notification

✓ **Reach out to your Traverre Access & Reimbursement Manager (ARM)** to know which documents to have ready when submitting a FILSPARI PA

A separate PA may be required for each strength of FILSPARI: initiation (200 mg) and maintenance (400 mg)

3

Ensure patient completes labs required for FILSPARI REMS

✓ **Educate your patient** on FILSPARI REMS while they are in the office

✓ **Enter standing lab orders** for required FILSPARI REMS labs to expedite patient testing

SP coordinates shipment of FILSPARI directly with your patient

✓ **Tell your patient to answer or return missed calls** from unfamiliar phone numbers
